I BEST DESCRIBE MYSELF AS:

Innovative
Creative
Responsible
Proactive

Graphic Designer and Visual Communication. I have work as a graphic designer and production manager for the last eleven years for two foreign companies, in my own company and as a freelance designer for several national companies. I have also worked as english kindergarten teacher and help adults improve their english language skills.

SKILLS AND ACHIEVEMENTS

Graphic Design:

Innovate and create new products for companies, visual material, digital designs, increasing sales and promotion on social media.

Purchasing Department:

Quotation and purchasing of materials and tools. Searching for best suppliers.

Production Manager:

Manufacturing samples of each product, quality control of the products, improving production times and quality. Modernization of production processes.

Teaching:

Innovation of teaching systems for children, didactic learning, based on human values. Helping students improving pronunciation of the english language.

LANGUAGES:

Spanish: NATIVE.

English: TOEFL ITP.
